Total Amount of Support Requested:

Narrative

What type of grant are you applying for?

Organizational Support

Project/Program Support

Please describe how the grant and matching funds will be used, while addressing the following questions in your answer:

How will the grant improve the scope and impact of your work?

Will the grant be used towards an existing or new program?

If the program is new, is it a one-time event or is it potentially on-going?

If the program exists, how long has it been running and how has it helped strengthen formal and informal STEM education in Israel for grades K-12?

Describe the expected results from your organization or program.

How does your organization/project strengthen formal and informal STEM education in Israel's social and geographic periphery for grades K-12?

Does your organization/project include professionals in STEM fields as founders or in positions of leadership? Please describe.

How does your organization/project engage collaboratively with other organizations that are also working to strengthen formal and informal STEM education in Israel's social and geographic periphery for grades K-12?
